

New Jersey State Specific Page

General Eligibility Requirements - Life, Health, Annuities and Variable Life and/or Annuity Authority

If the Applicant is following the UCAA Expansion Application format the Department will process the application in one step, which will include the non-refundable \$5,000.00 application fee. If the applicant follows the two step procedure outline in N.J.A.C. 11:2-1 the applicant will provide a Letter of Intent as step one and the application fee of \$5,000.00 will be due with the Final Application.

Alien insurers **must** follow the two step procedure outlined at N.J.A.C. 11:2-1.

General Eligibility requirements for life and health insurers are found at <http://www.state.nj.us/dobi/uclhwork.pdf>

In addition to the items required by the UCAA Expansion Application life and health insurers shall provide the information requested at <http://www.state.nj.us/dobi/uclhsupp.pdf>

Variable Contracts are a separate line of business, as such if the applicant intends to sell Variable Contracts in New Jersey they must so indicate on their application.

General Eligibility Requirements - Property Casualty Insurers

If the Applicant is following the UCAA Expansion Application format the Department will process the application in one step, which will include the non-refundable \$3,500.00 application fee. If the applicant follows the two step procedure outline in N.J.A.C. 11:1-10 the applicant will provide a Letter of Intent as step one and the application fee of \$3,500.00 will be due with the Final Application.

General Eligibility requirements for property casualty insurers are found at <http://www.state.nj.us/dobi/ucpcwork.pdf>
